## **BLOOD PRESSURE HOME MONITORING RECORD**

Name:

DOB:

Address:

NHS No.:

Record your blood pressure twice in the morning and twice in the evening.

Sit quietly for 5 minutes before each pair of readings.

Leave at least one minute between each measurement. Write both results in the boxes.

Systolic (Syst) is the highest number – Diastolic (Diast) is the lower of the two.

Whenever possible return the completed form to the Practice a week prior to your appointment or if not enough time, please bring this form with you your appointment.
