

# PRIMARY CARE DEVELOPMENT

## Kings Lane Medical Centre

has worked in partnership with the Royal College of General Practitioners to improve services as part of the General Practice Improvement Programme.

The partnership with the RCGP has elevated the standard of care, benefiting staff and, most importantly, significantly improving the quality of the patient experience.

A handwritten signature in black ink, appearing to read 'Ben Clacy', with a stylized flourish at the end.

**Ben Clacy**  
Executive Director, Membership and Development
